# What is Google Classroom?

Dear Parents/Carers,

As part of our commitment to supporting pupils, we have decided to implement Google Classroom to enhance our current home learning provision.

In the event of a 'bubble' having to isolate, teachers will use Google classroom on a daily basis to support home learning. If an individual child is isolating then google classroom will be used in conjunction with the school website to provide tasks for them to complete if they are well enough to do so.

To get started, please follow Warren's instructions on the following pages.

① If the teacher has not attached a template document for you to complete you can simply "Mark as done" by using the blue button if no document submission is needed.

② Submit a collection of Google documents from your Google Drive, video files, links to websites, Office documents or other files. There is not a limit to the number of attachments you can submit for one assignment.

③ Create Google documents right from Google Classroom. The file will automatically be shared with the teacher and placed in your Classroom folder in Google Drive.

Turn In Files

#015 Research Paper Edits   DUE TOMORROW

If the assignment has files to submit the "Mark as done" button is shown as a "Turn in" button. Additional files can be added or created right in Google Classroom to submit.

Sharing
Turning in files switches ownership of the document to the teacher and prevents student editing.

Unsubmit
After turning in an assignment an unsubmit button appears. Use this to gain back editing rights.

My Assignment
Click on "My Assignment" at the top of the assignment details to view the submission screen.

If the bubble is isolating then teachers will be able to respond during the school day between 09:00 – 15:15.

If an individual is isolating the teachers will still have their daily classroom commitment

and in this case they will endeavour to reply within 24 hour.
