Tuesday 16th September 2025

Dear Parents/Carers,

We are thrilled to share some exciting news! We will be bringing our science unit of Space to life for the children with a visit from an explorer dome. The children will be immersed in the solar system and participate in thrilling, interactive workshops. They will explore the sun, planets and dwarf planets in our solar system, and find out what happens to stars at the end of their lives. Then go star-spotting to discover the constellations as they will appear tonight and discover the stories behind them through the gods and heroes, myths and monsters from Ancient Greece.

The dome and their crew will be visiting on **Tuesday 7th October 2025**.

To help cover the cost of this incredible experience, we are asking for a voluntary contribution of **£4.50**. Payments can be made via the **Arbor app** under Trips by **Friday 3rd October 2025**.

We know the children will have an unforgettable experience full of fun and learning and can't wait to see them enjoy the dome.

Thank you so much for your continued support.

The Year 5 Team
