Tuesday 16th September 2025

Dear Parents and Carers,

We hope you had a wonderful summer break and are looking forward to the exciting school year ahead. A very warm welcome to our new Year R children and their families, as well as to all those joining our school community for the first time — we are delighted to welcome you to our Warren Park family. Thank you for ensuring the children have returned looking so smart and ready to learn.

Join our Governing Body

We currently have vacancies on our Governing Body. Being a governor is a fantastic way to get involved in the life of the school and to make a difference for our wonderful children and amazing staff team. If you are interested and would like to know more, please contact our school office or speak to a member of staff and we will be happy to discuss this further.

Safeguarding

We kindly ask for your continued support in keeping our school site as safe as possible for all children, particularly during drop-off and pick-up times. The gates open at 8:40am and 3:05pm. To help us minimise traffic movement and ensure the safety of everyone on site, please do not enter the premises before these times or release the gates from inside to allow early access.

Many children attend Breakfast Club in the mornings, and classes may still be participating in PE or COSMIC activities outdoors until 3:05pm. As part of our safeguarding responsibilities, it is essential that we limit the presence of unsupervised adults on site during these times.

Thank you for your ongoing support and cooperation.

Jewellery and PE kit reminder

P.E. Kit

Plain white T-shirt

Black, navy or grey shorts

Plimsolls or trainers

Plain black, navy or grey tracksuit or jogging suits for cold weather

Jewellery

Jewellery should not be worn in school. The only exceptions to this are a watch (not smart watch) and one pair of small stud earrings. No jewellery is to be worn during P.E. or Games.

Parents' Evenings

Wednesday 12th and Tuesday 18th November will be our first Parents' Evenings. This will be an opportunity to reflect on how your child is settling into their new year group, share their progress so far this year and discuss any areas that home and school can support them with during the rest of this academic year. Further information to follow.

Reception School Places 2026

We are currently showing round any parents who would like to visit our school with a view to children starting in September 2026. Applications need to be completed by 15th January 2026. As has been reported in the media, this cohort is a low birth year nationally and so we will hopefully have places available for children wishing to join Warren Park.

Playground Development Outside Year 3 and 4

We have been working closely with the Local Authority and our School Council to explore ways to improve safety in the area just outside the Year 3 and 4 classrooms. Our aim is to find a solution that enhances the space without removing the trees, which not only add beauty to the environment but also provide essential shade during the summer months. We will share the final plans once they have been agreed, and we hope the improvements will be carried out during the October half-term break.

INSET Days 2025 – 26

- Friday 28th November and Monday 1st December 2025
- Friday 26th June and Monday 29th June 2026

(If the June dates are secondary school transition days for Year 6 pupils, they will be expected to attend their new school)

With very best wishes,

Elizabeth Cooper
