Wednesday 15th October 2025

Dear Parents and Carers,

We hope this letter finds you well. As we settle into Year 4, we're turning up the volume on something incredibly important – times tables!

You may already know that all Year 4 children across the country take part in the Multiplication Tables Check (MTC) in the summer term. This is a key moment where children show how fluent and confident they are with their times tables up to 12×12 .

To help them prepare in a fun and engaging way, we are making a big push on Times Table Rock Stars (TTRS) and we'd love your support. Just a few minutes of practice each day can make a huge difference to your child's confidence and speed.

To celebrate and boost motivation, we're holding a Times Table Rock Stars Dress-Up Day on Wednesday 22nd October 2025.

Children are invited to come to school dressed as rock stars – think big hair, shades, denim, leather jackets or sparkly accessories! Please don't worry about buying anything new – this is all about fun with what you already have at home. A pair of sunglasses, a scarf, or even just a funky hairstyle can totally transform a look!

We'd also love to invite you into school to see TTRS in action and get involved with your child's learning. On Wednesday 22nd October, join us for a short, interactive session where you can see how we use Times Table Rock Stars and even have a go with your child from 2:30pm – 3:00pm in the school hall.

If you can't make the earlier slot due to prior commitments, feel free to drop into the Year 4 classrooms anytime from 3:30pm – 5.00pm to speak with teachers, ask questions, and see how you can support times tables at home.

We really appreciate your continued support. With regular practice and a positive mindset, every child can be a rock star in maths!

If you have any questions before the day, please don't hesitate to get in touch.

Warm wishes,

The Year 4 Team
