YEAR 6 REWARD TRIP – STAUNTON COUNTRY PARK & FARM

Dear Parents and Carers,

Our first reward trip will be on **Friday 24th October**, and we are off to Staunton Country Park for the morning. We will be leaving school at about 9:30am and plan to take a walk through the forest and up to the farm. Weather permitting, the plan is to spend the first part of the morning at the farm and then head over to the park to do some orienteering around the forest, before heading back to school for midday.

We ask that the children **wear school uniform** on the top half, and then something suitable for walking and exploring to go with it – leggings, joggers and trainers would be perfect, but not their brand-new ones as it could be quite muddy underfoot. If the weather looks like rain, please ensure that they have a suitable coat in school on Friday. If the weather looks like it will be disastrously wet, we may have to rethink our plans...

As a reminder...

Points will be based on good behaviour both in the classroom and, more notably, during break and

lunchtimes; and effort and focus during lessons. There will be a total of **105 points available** for the children to earn and whilst we will, of course, continue to support them in making the right choices, we will be expecting everyone to reach the **benchmark of 90 points in order to come to Staunton for the morning**. Please have a chat with your child about how they are doing this week – they should be able to explain clearly where they stand and how things are going.

REWARD POINTS

We will be running a **Reward Points** system in Year 6 this year. The children will have the opportunity to earn 3 points per day towards a reward treat or trip at the end of every half term. Authorised absences and holidays will earn 2 points per day missed. And, of course, points could be lost for any behaviour issues, including use of unacceptable language. A 5-point star award is also on offer every day for outstanding contribution – this could be in class or it could be for exemplary behaviour or empathy. Although our ethos in Year 6 is very much based around the team, there is, of course, a chance that one or more children may not earn enough points to attend the reward trip. If this happens, they will be expected to remain in school with one of us for the day – and it is vital that you support us in this as we prepare the children for their transition secondary school. Please ask your child to explain further, especially about some of the ideas they have had for rewards! And if you have any further questions regarding this matter, please come and talk to us about it sooner rather than later.

If you have any questions regarding this matter, please don't hesitate to give us a call.
Many thanks for your support,

The Year 6 Team
