Dear Parents and Carers,

Important Update: Save Our Trees Project - Playground Area Improvements

Further to Mrs Cooper's newsletter to all parents on 3 November, we are delighted to share an update on our project to protect the trees in the playground area outside the Year 3 and Year 4 classrooms. After working closely with our School Council and the local authority, we are moving forward with creating a safe and secure space for children to enjoy.

To achieve this, a new fence will be installed over the coming weekend. The new fence will have double gates on each side. From Tuesday 2 December, Year 3 and Year 4 teaching staff only will be responsible for opening the gates to greet children at the start of the school day. At the end of the day, staff will bring the children out to the gates for collection.

Please note that this newly fenced area is for staff and children only. For safeguarding reasons, no unaccompanied visitors or parents will be permitted beyond the new fence gates.

We appreciate your support and cooperation in helping us keep our children safe while preserving this important part of our school environment.

Thank you for working with us on this exciting improvement.

Kind regards,

Mrs Jo Winslade

School Business Manager
