Friday 23<sup>rd</sup> January 2026

Dear Parents and Carers,

The children have made an excellent start to the spring term, settling back into school routines following the very busy festive period. The weather has certainly been challenging so far this term, so please do remind your child to wrap up warmly for breaktimes and outdoor activities.

## Charity Collection

We raised an amazing £222.39 for the Rowans Hospice from the collections at the end of the Christmas concerts. They recently informed us that over recent years the school has donated an incredible £3,228.49. As always, thank you so much for your generosity.

## Art Competition

Very well done to everyone who entered the Art Competition. The quality of the entries was incredibly high, and the judges have had an almost impossible task identifying the winners.

## School Uniform

Thank you to the many parents who continue to support our school uniform policy and to those who have donated items to our pre-loved uniform collection. Donations, especially with the school logo, are very gratefully received, and we have a wider range of stock available than is displayed on our hanging rack in the school entrance. If you are looking for specific items or sizes, please contact the school office. As school uniform is readily and affordably available, we ask that all children are smartly presented each day. Some year groups have noted a slight decline in adherence to our uniform policy and will be notifying parents where there are concerns. Thank you for your continued support in ensuring our children represent Warren Park so smartly.

### Uniform

White blouse, shirt or polo shirt  
Black or grey school trousers  
Black or grey school skirt  
Royal blue sweatshirt  
Royal blue cardigan  
Royal blue fleece

### PE kit

Plain white T-shirt  
Black, navy or grey shorts  
Plain black, navy or grey tracksuit or jogging suit  
Plimsolls or trainers

## Jewellery

Jewellery should not be worn in school. The only exceptions are a watch (not a smart watch) and one pair of small stud earrings. No jewellery may be worn during PE or Games.

## Clubs

Please remember to look out for information regarding clubs this term, which can be booked using our Arbor system. If you have any difficulty using Arbor, please contact the school office and they will be happy to help.

## Parents' Evening

Later this term, we will be sending out further information about Parents' Evening sessions, which will take place on Tuesday 3<sup>rd</sup> March and Wednesday 11<sup>th</sup> March. These are very important meetings and provide an opportunity for us to share your child's achievements, as well as to discuss how we can work together to ensure they gain the very best from all the opportunities ahead.

## Medical Appointments

We kindly ask that every effort is made to schedule medical and dental appointments outside of school hours to minimise disruption to learning. Where an appointment during the school day is unavoidable, medical evidence (such as an appointment card or letter) must be provided to the school office in advance for the absence to be recorded as authorised. Please ensure your child is absent only for the minimum amount of time necessary and returns to school as soon as possible following their appointment.

## School Council Quiet Garden Project 🌱

The School Council has been working on an exciting project to create a quiet garden and reading area within the Year 3 and Year 4 outdoor space. This calm, welcoming area will allow children to relax and enjoy being outdoors, supporting their wellbeing during the school day.

Thanks to recent fundraising events, including Crazy Hair Day and Dance for Diabetes, we have already raised over £1,000 towards this project. The children have been busy designing the space and thinking carefully about what would work best for everyone.

We are now seeking support from our wider school community. We are looking for log sleepers, compost, shrubs and plants to help us create seating, borders and a peaceful garden environment. If you or a local business you know may be able to help with materials or donations, please contact the school office. Thank you for your continued support in helping us bring this pupil-led project to life.

## Join Our Governing Body

There is currently a vacancy on the Governing Body for a parent governor. Being a governor is a fantastic way to become involved in school life and to make a real difference for our wonderful children and dedicated staff team. If you are interested and would like to know more, please contact the school office or a member of the Governing Board—we would be happy to discuss this further.

With best wishes,

*Elizabeth Cooper*
