

Chinese New Year in Reception

Next week (2nd-6th March) Reception will be learning all about Chinese New Year.

They will be taking part in food tasting on Thursday afternoon (in accordance with any allergies and dietary requirements as per Arbor accounts). We will not make the children eat the foods but it is a great opportunity for them to see, smell and try foods from around the world.

On Thursday 5th March we will be having a 'red' day as this is a significant colour in Chinese New Year. Children can come to school dressed in something red on this day. This could be a red top, hair clip, dress, socks, coat, hat. Please don't go out and buy anything special for this event.

Keep an eye out on Instagram for updated pictures and information about what the children are learning and their amazing creations.
