

## Invitation to Attend the “Strong Women Bright Futures” Conference

Dear Year 6 Pupil,

You are warmly invited to attend a special careers conference called **Strong Women Bright Futures**, taking place at **Park Community School, Leigh Park, Havant**.

This exciting event is bringing together women from a wide range of industries including engineering, construction, science, technology, military, and the creative industries. These women will be sharing their experiences, talking about their career journeys, and answering questions from pupils like you.

This year’s event is particularly special because it is a pilot conference. This means you will be among the first pupils to take part, and your ideas, questions, and feedback will help us shape how we support strong women in industries across our local area in the future.

### Event Details

**Location:** Park Community School, Leigh Park, Havant

**Date:** Tuesday 17<sup>th</sup> March 2026

**Arrival Time:** 1:30pm

**Event Finish Time:** 2:45pm

During the conference you will have the opportunity to:

- Meet and speak with incredible women working in different industries
- Learn about different career paths and opportunities
- Ask thoughtful and interesting questions
- Explore how you might shape your own future career

We hope you will come ready to listen, ask brilliant questions, and be curious about the many possibilities open to you.

Your participation is very important to us, and we are excited to welcome you to this special event.

Remember: **you are the future engineers, scientists, creators, innovators and leaders of our community**. The questions you ask today could help shape the path you take tomorrow.

We look forward to seeing you there.

Kind regards,

### The Strong Women Bright Futures Team
