YEAR 6 REWARD TRIP: Havant Leisure Centre - Soft Play and UV dodgeball session

Dear Parents & Carers,

The half term holidays are nearly here and that means that our next reward trip for Year 6 will be on **Friday 27th March 2026**.

We will be taking all those children who have earnt enough points this half term to **Havant Leisure Centre** for a soft play and UV dodgeball session.

Over this five-week half term, there have been 78 points on offer, and the children have had to earn a minimum of 70 points to be invited next Friday. **Attendance has played a big part** in earning points this half term, but with an 8-point leeway, this would have afforded for **8 days of absence since February half-term** (from a possible 25 days). There are still points to play for, so please make sure that you have a quick chat with your child as most will be crossing the line in the next few days. If your child does not earn enough points (whether that be due to attendance or behaviour), they will still be expected in school on Friday 27th March, whereby their curriculum-based learning will continue. There will be no further consequence.

The children may wear non-school uniform but it must be suitable for soft play, UV dodgeball and PE based activities. We ask that all children have their shoulders and tummies covered - so no vest tops or crop tops, please. Socks MUST be worn. We will be leaving school at 9:30 and we will be returning for a normal lunchtime.

We have now run several reward trips based on our points system. We appreciate your support with this as we approach the children's final term at primary school before they head off into the secondary world!

Kind regards,

The Year 6 Team

Year 6 - Havant Leisure Centre - 'Soft Play and UV dodgeball' Reward Trip

I give permission for my child _____ Class: _____
to attend the Soft Play and UV dodgeball Reward Trip on Friday 27th March 2026 if they have earnt 70/78 points this half term.
