Thursday 4th June 2026

Dear Parents and Carers,

We would like to let you know that the Phonics Screening Check will take place next week, running throughout the school day from Monday to Friday.

It is very important that children attend school during this time and complete the check, as it is a statutory assessment, like the Year 6 SATs and the Year 4 Multiplication Tables Check.

However, please be reassured that the children will be largely unaware of the process. Phonics practice is already part of their normal daily routine, so the check will feel familiar to them. For this reason, we have not spoken to the children about it in detail, as we want to avoid causing any unnecessary worry or anxiety.

There will be little change to the children's usual school day, and their normal routine will continue as usual throughout the week. We simply wanted to keep you informed and wish all of the children the very best of luck. Results will be shared in late July.

Many thanks for your continued support.

The Year 1 Team
