Wednesday 9th September 2026

Dear Parents and Carers,

As part of our Religious Education learning, Year 1 will be exploring the theme of special things and how different items can be important to us and to others.

We will begin by thinking about special clothes and why certain clothing has particular meaning. This might include a football kit, a favourite dress, a uniform, traditional clothing, a costume, or any item of clothing that is special to your child.

To launch our learning, we are inviting the children to take part in a Wear and Share Day on Tuesday 15th September. We would love the children to come to school wearing clothes that are special to them and be ready to share why they have chosen them.

We will do our best to help keep the children's special clothes clean throughout the day. However, as they will still be taking part in normal classroom routines, including lunchtime, please be aware that there is a possibility of food or drink spillages. We ask that footwear remains suitable for school.

We are looking forward to learning about the clothes that are important to the children and hearing the stories behind them.

Thank you for your support.
