Monday 19th October 2026

Dear Parents/Carers,

As part of our History topic, we have a very exciting learning experience planned for the children. This will be taking them to Milestones Living History Museum. If you haven't been, it is well worth a visit and truly offers the children an incredible environment, where they can be immersed in life from the past across a breadth of eras. The trip will be split over two days – this is to dramatically keep the cost down by utilising the school minibuses, saving a considerable amount.

Squirrels Class will be going on **Wednesday 25th November 2026**

Hedgehogs Class will be going on **Thursday 26th November 2025**

As the Museum is a fair distance, we ask that the children come into school earlier on these days and we welcome the children in from **8:30am** and go straight to class. This will allow us to leave school as promptly as possible and make the most of the day. Sadly, if children arrive late on their day, they will not be able to attend the trip. We ask that **only** the relevant class come in early on the day of their trip and not the whole year group.

We aim to be back on site between **3:15pm - 3:30pm** on both days, traffic depending.

Our History unit this term is centred around 'Toys' which will include examining similarities and differences between toys from now and the past and exploring the key question 'how have toys changed since our grown-ups were little?' Our visit to the Milestones Living History Museum will aid the learning of this topic and bring it alive for the children. Here they will experience play time in the past by exploring a range of old toys and games, comparing the museum's toy collections with the toys of today within a range of engaging workshops.

We would love for you to become as involved as possible, so sharing the Milestones Museum website https://www.milestonesmuseum.org.uk/ with your child and exploring the pictures would really help get the children excited as well as help those who may be a little nervous to familiarise themselves with what to expect.

School Uniform is a strict must; however, the Museum is enclosed so there is no need for additional clothes etc. As with any experience, there is a cost of **£12.00** per child. We have worked hard to keep the price as low as possible, whilst still being able to offer the most out of the day. Payment for this trip will be via Arbor.

Your child will require a packed lunch in a small, clearly marked bag which they will have to carry. Please indicate overleaf whether a) you will provide your own lunch for your child or b) you require a school packed lunch for your child. A MEAL REQUIREMENT MUST BE INDICATED ON THE SLIP OVERLEAF. Please no fizzy drinks, glass bottles sweets or spending money.

Please complete the permission slip overleaf and return it to the class teacher/ school office by **Wednesday 4th November 2026.**

Many Thanks

The Year 1 Team 😊
