July 2019

Dear Parents and Carers

Sports Day

Firstly, thank you for your patience with sports day! We have been unlucky so far this year as the wet weather has meant that grass cutting and line painting have been delayed as well as the rain leaving the field water logged and too wet to use. We are keeping our fingers crossed for **Tuesday 16th July** and look forward to seeing you all then.

Drop in to meet your child's new teachers - 2nd July

During the course of Tuesday and Wednesday of this week your child will be meeting their new teachers. I am sure that they will have lots of exciting news to share with you following their transition days.

You are invited to our parent drop in tomorrow - 2nd July between 3.15 - 4.00pm, whereby you will be able meet your child's new classteachers. This will be an opportunity to say hello and introduce yourself; if you have a matter that needs a more in depth discussion please make an appointment at the school office and we will arrange a meeting for you.

For the academic year 2019/20, in order to best meet the needs of our children, we will be changing the current classroom arrangements.

From September -

- current year 4 classrooms will become the year 5 classrooms. This means that the current year 4 children will remain in the same classrooms
- current year 5 classrooms will become the year 4 classrooms. The year 4 classes will be taken onto the playground by their teachers at the end of the day.
