

Monster Phonics

Next Year, we are starting an exciting new phonics scheme called 'Monster Phonics'. We cannot wait to meet all the monsters with you and play all the games. Over Summer, it would be amazing if you could go on the website or YouTube to watch some of the fantastic Monster Phonics videos.

We would love you to make one of the monsters, from the Monster phonics family. Take some pictures of you and your monster; in the woods, on the beach, in the country side, anywhere exciting and put the pictures on Tapestry. It would be lovely to put these pictures up in the classroom for you to see when you start school.
