Dear Parents and Carers,

Following the recent government announcements, we are absolutely delighted that we will be able to welcome the children back to school on Monday 8<sup>th</sup> March. Thank you so much for supporting the children with their learning at home. We really appreciate how hard it is to replicate classroom routines and expectations in a different environment and we have been really thrilled by the effort of many of the children over the last few weeks. They have certainly enjoyed some of the live sessions, especially being able to see their peers, so we are looking forward to reuniting the children with their friends very soon.

The government expectation is that all children should return to school on March 8<sup>th</sup>. We have reviewed our risk assessment to ensure that school is as safe as we can make it which will mean that the routines that were in place last term will continue:

- Children will continue to work and play in their year group bubble
- Only a school book bag, water bottle and lunch bag should come into school
- Parents should contact the school by telephoning the main office with any queries
- Masks must be worn by adults on the school site including when dropping off/collecting at the Year R, 1 and 2 gates.
- Only one adult should come on to the school site to drop off/collect children in Year R, 1 and 2
- Parents have requested that masks are worn when waiting to collect children outside of the school gates and that a social distance of 2m is maintained
- The entry and exit times and gates have been copied at the end of this letter as a reminder.

We are really hopeful that over the coming months we will see a gradual return to normal school life. I would once again like to thank you all for supporting us through such a challenging period. Our amazing staff team will always go above and beyond for your children and I know that they will do everything in their power to ensure that they have a fantastic end to their spring term.

We look forward to seeing you on March 8<sup>th</sup>!

Best wishes,

*Elizabeth Cooper*
