Wednesday 31st March 2021

Dear Parents / Carers,

This has certainly been a challenging term for us all with further school and bubble closures. We would like to say a really big thank you for your ongoing support and we look forward to the summer term which will hopefully bring the next steps on the roadmap to returning school life to normal.

Red Nose Day

Thank you for supporting our School Council's Red Nose Day appeal. It was amazing to see the sea of red across the school as the children wore their favourite red outfits and quite a lot of red hair too! They were very creative with their red nose designs which certainly added to the spirit of the day.

Police Contact

The police have asked us to pass on a message to the local community. The police would like to remind parents that information on social media may not always be accurate and they have no safeguarding concerns related to the school area.

SATs

The government has informed us that there will be no formal tests during the summer term of 2021. This includes Key Stage 1 and 2 SATs, Year 1 phonics screening and the Year 4 multiplication check. We will continue with our usual assessments that form an important part of day to day teaching so that we are able to support the children in making up for learning that they have lost due to absence during the pandemic.

LFD and PCR testing

NHS Test and Trace is asking, that if a Lateral Flow Device (LFD) is used to identify a positive Covid case in your family, that this is always followed up by a Polymerase Chain Reaction (PCR) test. A test is required if you or your child are displaying any of these symptoms:

- a high temperature – this means you feel hot to touch on your chest or back (you do not need to measure your temperature)
- a new, continuous cough
- a loss or change to your sense of smell or taste

A PCR test can be booked online or by calling 119.

Inset days reminder

Just a reminder that Friday 25th June and Monday 28th June 2021 are Inset days and the school will be closed. If these dates are secondary school transition days for Year 6 pupils, they **will** be expected to attend their new school.

We do hope that as the restrictions are lifted a little over the Easter holidays, you are able to begin to see your family and friends once again. Our fingers will be crossed for some sunny weather so that we can all enjoy some of the lighter, brighter days ahead. Happy Easter from everyone at Warren Park!

We will look forward to seeing the children after the holiday on Monday 19th April.

Best wishes,

Elizabeth Cooper
