School Business Manager: Mrs Anna Evans

Friday 18th June 2021

Dear Parents and Carers,

I would like to begin by saying a huge thank you, to you all for your ongoing support through this very challenging year. We appreciate that in order to keep our community as safe as we possibly can, school life has felt very different this year. We have really missed being able to meet with you face to face and are so grateful that you have used all of the other forms of communication to keep in touch and to work with us to support your children.

As the government has decided to continue to keep the current restrictions in place, we are working hard to make sure that the children have an exciting end to term and will be well supported in their transition into their next year group or school. Please do look out for information from the individual year teams over the coming weeks.

Farewell

It is with great sadness that this term we are saying farewell to Mrs Michelle Copping who works in our school office. Mrs Copping has provided more than 20 years of dedicated service to the children, families, staff and governors at Warren Park and will be very greatly missed. I am sure that you will join me in thanking her for being such an amazing member of the Warren Park family and wishing her every happiness in her retirement.

Transition

On Thursday 8th July the children will get the chance to meet their teachers for next year. This will give them an opportunity to familiarise themselves with their new classrooms and find out about routines and the exciting learning that awaits them next year.

Secondary schools are refining their transition arrangements inline with their risk assessments and will be in touch with Year 6 students directly.

Sports Day

Each year group will be holding a sports day event for their own children in order to protect their bubble. Sadly, this year we will not be able to invite parents as it isn't possible for us to guarantee your safety within the current climate. The children will experience all of the usual events and we will share this with you via photos and information for each year group on the website.

Inset days

Just a reminder that Friday 25th June and Monday 28th June 2021 are Inset days and the school will be closed.

Thursday 2nd September and Friday 3rd September 2021 will be Inset days. The school term will begin on Monday 6th September for the children in Years 1 to 6. Arrangements for Reception will be confirmed in an additional letter.

Reports

In July you will receive an end of year report for your child. As there has been a disruption to school life and learning this year, it will be a little different to previous years so please do read the accompanying letter carefully.

End of Term

This year we hope to be able to mark our Year 6 leaving in true Warren Park style. This means that most arrangements have been moved to the last week of term and, restrictions permitting, we will be able to adapt so that the children have a fitting end to their time with us. The year 6 team will be sending further details shortly.

We hope to receive further guidance from the government on July 12th and once we have been able to consider this, we will let you know as soon as we can what the arrangements will be for September onwards.

With very best wishes,

Elizabeth Cooper
