

Dear Parents and Carers,

Once again, the entire Year 4 Team just wanted to say **a huge thank you** for all your support and amazing effort with home learning during this lockdown. We really appreciate the continued time and encouragement you are putting into assisting your child / children at home. As always, your support and patience are very much appreciated.

We have had a couple of questions about why some of the Year 4 staff team are in school and not isolating. There is a process of contact tracing that the school works through with the Department for Education and Public Health England to identify the contacts of the positive case. While some members of our team were deemed to be contacts and have had to isolate, other members were not which means that they can organise Google Classroom from school. Sadly, it isn't possible for this level of contact tracking with the children in the bubble because of the mixing at breaktimes as well as during the day. Fortunately, the recent government announcement means that from next term bubbles won't be asked to isolate anymore.

Chromebooks

We have loaned a number of children a Chromebook for this period of isolation. If you do not have a device that supports Google Classroom easily, please do let us know and we can arrange for you to pick one up.

Timetable

Here is our Google Classroom timetable for 5.7.21 – 12.7.21:

	Monday 5.7.21	Tuesday 6.7.21	Wednesday 7.7.21	Thursday 8.7.21	Friday 9.7.21	Monday 12.7.21
Learning	Maths English Science	Maths English Geography	Maths English Spanish Music	Maths English PE	Maths English Computing Google Meet at prize box @ 2.00pm	Maths English Science

If children have any questions about the work, they can ask us directly in the 'private comment' box on the right-hand side of tasks or you can email us at year4@warrenpark.hants.sch.uk.

Rewards and certificates

To reward everyone's efforts, we will be awarding our HOME LEARNING AWARD certificates on Friday. As you can see from the pictures overleaf, your child will be awarded between level 1 - 5 depending on how many days they've accessed English, Maths and the other areas of the curriculum this week.

EVERYONE WHO IS AWARDED LEVEL 5 WILL WIN A PRIZE FROM THE PRIZE BOX!

Thank you again for your ongoing support. Please don't hesitate to contact us with any questions, problems or even if the children just want to say hello or share something they have done at home. Our email is

year4@warrenpark.hants.sch.uk

Take care and keep safe,

The Year 4 Team
