6th September 2022

Dear Parent(s)

Year 1 visit to Milestones

As part of our History topic, we have a very exciting learning experience planned for the children. This will be taking them to Milestones Living History Museum. We are asking for a contribution of **£10** towards this trip. We have worked hard to keep the price as low as possible, whilst still being able to offer the most out of the day.

Payment for this trip will be via Magicbooking <https://warrenpark.magicbooking.co.uk> or through the link on the sidebars of the school website. Please create an account through Magicbooking or use an existing account to book and pay. Instructions on how to use Magicbooking can be found under the parent tab.

If you haven't been, it is well worth a visit and truly offers the children an incredible environment, where they can be immersed in life from the past.

The trip will be split over two days – this is to help keep the cost down and utilise the school minibuses.

Monkey Tree Class will be going on Tuesday 27th September

Willow Class will be going on Wednesday 28th September

As the Museum is a fair distance, we ask that the children come into school earlier on these days and we welcome the children in from **8:00am but no later than 8:30am**. This will allow us to leave school as promptly as possible and make the most of the day. **We aim to be back on site between 3:15pm - 3:30pm on both days, traffic depending.**

Our History unit this term is centred around 'Toys' which will include examining similarities and differences between toys from now and the past and exploring the key question 'how have toys changed since our grown-ups were little?' Our visit to the Milestones Living History Museum will aid the learning of this topic and bring it alive for the children. Here they will experience play time in the past by exploring a range of old toys and games, comparing the museum's toy collections with the toys of today within a range of engaging workshops.

We would love for you to become as involved as possible, so sharing the Milestones Museum website <https://www.milestonesmuseum.org.uk/> with your child and exploring the pictures would really help get the children excited as well as help those who may be a little nervous to familiarise themselves with what to expect.

School uniform is a strict must; however, the Museum is enclosed so there is no need for additional clothes etc.

Thank you from the Year One Team.
