Wednesday 7th September 2022

Dear parents and carers

Once again, we would love to send out an enormous thank you for helping the children to settle in so wonderfully – we are already very proud.

In Year One, phonics and reading are at the heart of everything we do. We absolutely believe that reading is the key to learning and unlocking this for our early readers will be essential for their learning journey throughout their time at Warren Park and beyond.

So, getting involved with reading and inspiring our little ones to love reading is very important to all of us.

With this in mind, we would love to invite parents and carers into school to share our love of books with a Reading Café.

This will involve the all the children in Year One being in the hall surrounded by little story books and we ask that parents and carers to read a small group of children during this time. The Year One team will be doing the same and enjoying story time with our little ones.

This will also give us the opportunity to share some of our learning with parents, giving children the opportunity to share their experiences so far.

This will take place on **Friday 30th September at 9:00am** in the school hall. Children will go to class as normal for Registration and we ask parents and carers to make their way from the playground at 8:45 and wait in the hall for the children to join shortly after register. The session will end at around 9:40.

There will be tea and biscuits on offer but if you would like a tea or coffee, we kindly ask that you bring your own sealed mug/flask in for health and safety reasons, and so we don't spill on the books.

There will also be an opportunity to come to our lovely book shop, where you will be able to buy heavily subsidised books for just £1. We are incredibly lucky to be able to offer this, so please take advantage whilst we can still offer this.

We look forward to seeing you,

The Year One Team.
