

School Age Immunisation Service

Southern Health
NHS Foundation Trust

What is our role?

The School Age Immunisation Service offers vaccinations to children and young people (aged 4-16) across all Hampshire schools, including those who are electively home educated.

The Service works in partnership with health professionals, children and their families to provide access to the UK childhood immunisation programme, to ensure they receive their vaccinations when they are due.

Vaccinations offered:

Flu (Live Attenuated Influenza Vaccine-Nasal Spray)
Tetanus, Diphtheria, Polio (known as Td/IPV)
Human Papillomavirus (known as HPV)
Meningococcal groups A,C,W,Y (known as MenACWY)
Measles, Mumps, Rubella (known as MMR)

Giving consent

For your child to be vaccinated, you must have submitted a consent form.

You will receive information in advance of each vaccination due, including details of how to give consent.

For more information on School Age Immunisations on our [website](#), scan the QR code

The school term vaccination calendar 2022/23

Annual flu vaccine (nasal spray) Year R to Year 9 (in some special schools, it is offered up until 18 years of age). Eligibility for the flu vaccine is dependent on the annual National Flu programme and may vary each year.

Teenage vaccines (Tetanus, Diphtheria, Polio and MenACWY) in Year 9.

HPV vaccine in Year 8 (dose 1) and Year 9 (dose 2).

The service will offer catch up sessions for outstanding vaccinations (including MMR) to all children and young people up to age 16 or the end of Year 11.
